Contact points for the competent authorities of the Member States for Food Contact Materials

Last updated: September 2019

The data contained in this document includes the names and addresses of the national competent authorities designated to be responsible in its territory for food contact materials including those designated to receive applications for authorising substances to be used in food contact materials or processes for recycling materials for food contact, which may include individuals. This information is published by the European Commission on its website. A privacy statement can be found at the end of this document.
